EXECUTIVE PROFILE

User-focused product designer with 2+ years of experience crafting accessible, responsive mobile and web interfaces in fast-moving agile environments.

EXPERIENCE & LEADERSHIP

Junior UI/UX Designer • Creative Cloud Studios 2024-06-01 – Present

- Designed high-fidelity prototypes in Figma for an enterprise analytics dashboard used by 12,000 daily active users.
- Conducted 18 usability test sessions, synthesizing qualitative feedback into actionable user journey maps.
- Partnered with frontend engineers to document design tokens and Tailwind utility patterns.

FEATURED PROJECTS

Accessibility Audit Kit (Figma Plugin API, TypeScript) github.com/elena/audit-kit

- Open-source WCAG 2.1 compliance checklist with automated contrast scoring plugins.
